

CAN YOU EXPLAIN YOUR RESEARCH?

Nagoya University Writing Center Open Workshop

2018. 7. 11 (Wed), 16: 30 ~ 17: 30

Room 406, ILAS Main Building 4F

(North entrance, take the elevator
behind the guard's office)

Speaker: Markus Rude, Nagoya University

After introducing how the essence of your research can be grasped from a logical thinking perspective, you will have the chance to explain your research to another workshop participant in limited time and on an agreed level of complexity. Everybody is welcome to this workshop – from the novice to the experienced researcher and teacher of any field.
