

Joint Summer School at Freiburg

September 16th - 20th, 2019

Universities of Freiburg – Strasbourg – Nagoya

SUSTAINABILITY, ETHICS AND TRANSFORMATION

The program for this academic year will be hosted at University of Freiburg over a five-day period. Under the main themes of “Sustainability, Ethics and Transformation”, there will be 4 sessions and three parallel topical workshops. This school offers you keynote speeches from a Federal Advisor Dr. Feld and Dr. Töpfer, opportunities for students to engage in free-form debate and discussion, and also oral presentations and poster sessions given by the students themselves. Please keep in mind that the fields related to the themes will be set to approach broader audiences from literature to science majors.

Application deadline > July 18th (Thu), 2019
